WORK WEAKENS THE KIDNEYS

Doan's Kidney Pills Have Done Great Service for the People Who Work in Redwood City.

Most Redwood people work every day in some strained, unnatual position—bending constantly over a desk, riding on jolting wagons or cars, doing laborious housework; lifting, reaching or pulling, or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs.

James E. Brown, contracting painter of No. 17 Capp street, San Francisco, says: "A man at my occupation required a good sound back. If that part of his anatomy is weak, lame or aches every move of the brush brings torture. Besides, the ingredients used in my calling act directly on the kidneys and aggravate those organs. The first box of Doan's Kidney Pills brought me such relief that I bought several more and continued the treatment until the trouble disappeared."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's, and take no other.

John O'Connell and several friends made a trip to Santa Cruz last Thursday and returned Tuesday of this week. They went by way of Pescadero and had a delightful trip. Mr. O'Connell who is a keen observer says the roads in this county are in splendid condition and much better than the highways in Santa Cruz County. This speaks well for Supervisors BacBain and Blackburn through whose Townships Mr. O'Connell passed.

Mr. and Mrs. George H. Rice left on Wednesday for the Yosemite valley, where they will spend a couple of weeks viewing the beauties of that wonderland.

A. A. LaReaux and P. Lind of San Bruno Park were in Redwood the fore part of the week.

Carl Muller and family are enjoying a week's outing at La Honda.

Mrs. Elizabeth Hanson celebrated her birthday Tuesday of this week with an afternoon euchre party. Mrs. Einstein, having the highest score, was awarded the prize, which was a handsome Copley print. The others enjoying Mrs. Hanson's hospitality were Mrs. Pearl of San Jose, Mrs. Ferguson of Minneapolis, Mrs. Maine, Mrs. Thomas, Mrs. Walsh, Mrs. Holden, Mrs. Hannon, Mrs. Thorpe, Mrs. Wentworth, Mrs. Kirkpatrick, and Miss Sallie Nelson.

Frank Knowles, a north-end capitalist, was a county seat visitor Thursday.

Heavy Passenger Traffic

Of late travel on the Southern Pacific peninsula trains has become so heavy that the company finds it extremely difficult in handling the immense crowds. Almost every train is crowded beyond its seating capacity, and although several old Oakland side gate coaches and the regular funeral party cars are pressed into service many are compelled to stand, being unable to find seats. A well known railway official is authority for the statement that the inconvenience will be overcome within a very short time, as additional rolling stock is expected daily.

The causes assigned for the great increase in travel on the line are said to be the desire of large numbers of people to live outside of San Francisco during the industrial troubles and to a realization on the part of the people of Alameda and Marin counties that this peninsula offers every advantage to the suburbanite with none of the attending terrors of crowded ferry boats groping across the bay in dense fogs.

Said applicant shall also file with said application a bond in the penal sum of one thousand dollars ($1000), payable to the said County of San Mateo, with two sureties, each of whom must be a resident and free-holder of said County of San Mateo, and neither of whom is an applicant for nor a holder of any permit or license under this Ordinance, and who shall otherwise qualify in the same manner as sureties are required to qualify under the provision of section 1057 of the Code of Civil Procedure of the State of California, conditioned that the said applicant shall and will conduct the business for which a license is sought, in a quiet, orderly and reputable manner and shall not and will not permit any disorderly disturbance of the public order or decorum by any noisy, riotous or disorderly conduct on the premises and shall not and will not sell, give or furnish any spirituous, malt or fermented liquor or wine or any admixture thereof to any intoxicated person or to any minor under the age of eighteen (18) years, and shall not and will not permit any intoxicated person or minor under the age of eighteen (18) years to be or remain in or about the room in which said business is conducted; provided that when any minor is accompanied by his or her parent or guardian or adult friend in any restaurant or hotel for the purpose of being served with meals, this restriction shall not apply to such minor; and shall not and will not sell, give away or furnish any spirituous, malt or fermented liquor or wine or any admixture thereof between the hour of eleven o'clock p. m. and the hour of five o'clock of the following morning (unless a "special permit and license" shall have first been duly and regularly issued to him, as hereinafter in this Ordinance provided) and shall and will obey and abide by the laws and ordinances now in force or which may hereafter be enacted, regulating places of business where spirituous, malt or fermented liquor or wine or any admixture thereof is sold, furnished or given away.

Section 10. No permit or license of any kind shall be issued to any person or persons which will authorize any person, persons, firm or corporation doing business under the provisions of this Ordinance to keep open such place of business or to sell, give away or furnish any spirituous, malt, or fermented liquor or wine or any admixture, thereof, between the hour of eleven o'clock p. m. of any night and the hour of five o'clock of the following morning; provided that any member of the Board of Supervisors of the County of San Mateo may in writing signed by him authorize the License Collector of said county to issue a special permit and license to any person, persons, firm or corporation doing business under this Ordinance in the township of said county in which said Supervisor resides, to keep open such place of business on the night in said written authorization mentioned, from the regular closing hour, namely, eleven o'clock p. m., to and until after five o'clock of the following morning, upon the payment to said License Collector of the sum of three (3) dollars for each such "Special permit and license" and the surrender to him, said License Collector, of said written authorization; said moneys so collected by said License Collector to be accounted for by him as other moneys received for licenses, and such "special permit and license" shall be good only for the particular night in said written authorization and in said "special permit license" mentioned.

And it is hereby declared by the Board of Supervisors of the County of San Mateo, that if any evidence, to them satisfactory be produced before them, showing that any person, persons, firm or corporation to whom a license under this Ordinance has been granted by said board (unless the "special permit and license" hereinbefore in this Ordinance provided has been issued) has not closed his place of business for traffic in spirituous, malt or fermented liquor or wines, at the hour of eleven o'clock p. m. of any night and has not extinguished the lights in and about said place of business at said hour of eleven o'clock p. m., and has not kept closed said place of business and kept extinguished all lights in and about said place of business until the hour of five o'clock of the following morning, the said board will forthwith revoke any and all licences theretofore issued by said board to the person violating the above provisions of this Ordinance, and will not grant to the person, persons, firm or corporation so failing to obey this Ordinance in the above respects any other or further license to engage in any business under this Ordinance licensed; and each and every person, firm or corporation to whom a license is issued under this Ordinance for any of the purposes the subject matter of this Ordinance by and by reason of his application for a license to engage in any business by this Ordinance licensed, hereby agrees that he will close at the hour of eleven o'clock p. m. of each and every night, his place of business for the traffic in spirituous, malt or fermented liquors and wines; that he will keep said place of business closed until the hour of five o'clock of the following morning, and that he will extinguish at the hour of eleven o'clock of each and every night all lights in and about his said place of business, and will keep such lights extinguished until the hour of five o'clock of the following morning, and that any failure to close said place of business at the hour hereinbefore specified and any failure to extinguish or keep extinguished said lights as hereinbefore specified, shall be a sufficient ground for the revocation by the said Board of Supervisors of any and all licenses issued under the provisions of this Ordinance; provided, that the provisions of this section shall not apply to the holders of a "Class B" and a "Class C" license, except as to the sale of liquor or wine after said hour of eleven o'clock p. m.

Section 11. The bond mentioned in subdivision three of section eight of this Ordinance shall be subject to the approval or rejection of the Chairman of the Board of Supervisors and shall not be approved unless said chairman shall deem each of the sureties thereon, sufficient for the whole penal sum of said bond, and upon the approval of said bond by said chairman, the Board of Supervisors shall consider said application and any protest which may have been filed and if said board shall thereupon find that the applicant is a proper person to carry on said business and that the carrying on of said business at the place where the same is to be carried on will not be prejudicial to the public good, may by resolution grant the required permit, provided, however, that no permit shall be granted to any person, persons, firm or corporation who previously had a permit under this Ordinance, and which permit has, within six months prior thereto, been revoked, or to any firm or corporation or any member of which had previously had a permit and which said permit has, within six months prior to said hearing of said application been revoked, nor to any person, firm or corporation unless such person, or each member of said firm or each stockholder of said corporation is a native born or naturalized citizen of the United States, a certified copy of each resolution granting or revoking a permit shall be given immediately to the Tax Collector by the Clerk of the Board of Supervisors upon the adoption of any such resolution.

Section 12. After said permit has been granted by said board, and not before, and after the license tax herein provided for has been paid, the Tax Collector shall issue to the person or persons, firm or corporation named in said permit, a license of the class in said permit specified, which license shall be authority to the person or persons, firm or corporation named therein to conduct his or their business at the place named in the application for said license, but shall not be authority for any other person or persons, firm or corporation, to conduct said business at the place named in said application or for the person or persons, firm or corporation to whom said license is issued to conduct said business in any other place.

Section 13. A permit under this Ordinance shall be good only for the person, persons, firm or corporation and particular place and particular business specified in said permit shall be good for one year and no longer. Section 14. The total number of Class "A" permits issued under this Ordinance to be in force at one time, is hereby limited to one hundred and twenty (120), and no greater number of "Class A" permits than one hundred and twenty (120), to be in force at one time, shall be granted or issued under this ordinance.

Section 15. Any person, persons, firm or corporation to whom a permit has been granted and a license issued under the terms of this Ordinance, who violates any of the provisions of subdivision three of section eight of this Ordinance and who shall not obey and abide by all the laws and Ordinances now in force or which may hereafter be enacted, regulating places of business where spirituous, malt or fermented liquors or wines or any admixture thereof is sold, given away or furnished, shall forfeit all permits and licenses theretofore granted or issued to said person, persons, firm or corporation under the provisions of this Ordinance, and shall also forfeit to said County of San Mateo the full amount of the bond required to be given to said county pursuant to the terms of section eight of this Ordinance, or such sum, part of the whole penal sum of said bond not less than $250 as may be determined by the Board of Supervisors of said county, pursuant to the terms of section eight of this Ordinance.

Section 16. Such complaint may, however, be made by any resident or citizen of said county. Upon such a complaint being filed with said County Clerk it shall be his duty to immediately prepare and forward by mail to said person, firm or corporation, a copy of said complaint, the same being addressed to such person, firm or corporation at the postoffice specified in the application filed by the person, persons, firm or corporation against whom the complaint is made and filed.

The Board of Supervisors shall, if possible, investigate said complaint at the next regular meeting of said board after the filing of said complaint, and not later than the second regular meeting of said board subsequent to the filing of said complaint. If upon such investigation the said board or a majority of the members thereof shall find that the said complaint is well founded and the charge therein made is true, it shall so declare by a resolution of said board, and the said board shall also, by the same resolution revoke the permit theretofore granted to said person, persons, firm or corporation and revoke all licenses theretofore issued to said person, persons, firm or corporation under the terms of this Ordinance, and said license shall thenceforth be without force or effect, and the said board shall also, by the same resolution declare the bond required by and given under the provisions of section eight of this Ordinance, wholly forfeited, or such sum or amount part of the whole penal sum of said bond, not less than $250, forfeited to said county as, in the discretion of said board shall seem just in the premises, and shall direct the District Attorney of said county to at once commence suit on said bond in the name of said county, to recover the amount so declared forfeited to said county, and in any action instituted and prosecuted upon said bond, the adoption of the resolution mentioned in this section shall be deemed and taken as conclusive evidence of the truth of the facts therein set forth.
